Yearbook Staff Works ...

SHARLYN LESSER
Business Manager

In keeping with the new Seaman High School building, the Yearbook Staff presents a new design in the layout of this publication.

With the passing of time, the echoes of our school life will grow fainter and fainter, and finally die away. Though many things may befall us, may we preserve the memory of our most eventful journey in the pages of this book. It is our hope that we may recapture that echo and keep it locked within our hearts.

SENIORS

Let's Look Back Over Four Years

CHAPTER I

In 1951 there were seventy-four of us new Vikings, who hadn't quite found our sea legs yet. To help us along we elected Wanda Williams, president; Joe Miller, vice-president; Paul Lucas, secretary; and Janet Thomas, treasurer. We had our freshman party on a spooky Halloween night with square dancing and lots of fun for everyone. With Miss Cox and Mr. Robinson as sponsors, we ended our first eventful year at Seaman with a picnic at Gage Park.

CHAPTER II

Back again! We were the biggest class in school with eighty-five sophomores. Anticipating more fun and progress, we chose Dick Currie, president; Duane Niemackl, vice-president; Ronna Means, secretary; and Donna Spangler, treasurer. We sponsored an all-school Sock-hop that was enjoyed by everyone including our sponsors, Mr. Frederick and Mr. Rorabaugh. Our picnic at Lake Shawnee concluded another successful year.

CHAPTER III

Upperclassmen! President Carolyn Chandler, Vice-president Paul Lucas, Secretary Pat Brady, and Treasurer Kathleen Falley led us Juniors, sixty-nine in all, through the year. Incorporating fun and work, we presented the Junior-Senior Prom at the Hotel Jayhawk in honor of the Seniors. Our sponsors, Mrs. Gooch and Mr. Wahl, helped us in attaining a very satisfying year. Even the misty weather didn't dampen our spirits at the annual class picnic at Gage Park.

CHAPTER IV

Seniors at last! With fancy-freeness we stepped into our final year only to discover that more hard work confronted us. Our officers, Edith MacArthur, president; Martha Nash, vice-president; Kathleen Falley, secretary; and Donna Spangler, treasurer, led our class of fifty-eight in '55.

After spending a hilarious day of boating and picnicking on our Play Day at Lake Wabaunsee, none of us could deny that we were "all wet."

November brought us a new school and we were to be the first class to graduate from it.

The second semester was filled with busy events. We received our class rings (the best ever!), were measured for caps and gowns (white, no less!), and ordered our announcements (engraved and all!). Our sponsors, Mr. Frederick and Miss Wilson gave us a helping hand.

Our talent and determined effort were put to use in the work on the "Clipper" and the yearbook. In preparation for the future, many of us went to College Day and took college and business tests.

The Junior-Senior Prom at the Hotel Jayhawk was an evening we will never forget. Thank you, Juniors!

Senior Shake-up, sponsored by Topeka High, put us all in the Hawaiian mood. Our last-day-of-school picnic at Lake Shawnee added to the fun.

At Baccalaureate and Commencement, we solemnly and sentimentally realized that our days at Seaman were over. The Commencement Dance in the gymnasium completed a perfect year. As the last chapter of our high school life closed, only memories dear to all of us remain.

ACTIVITIES

GRADUATION DANCE
A graduation dance was held at the high school on May 20, after the school day. The music will be played by the high school orchestra. The dance was a success and the students enjoyed it very much. The proceeds from the dance will be used for the purchase of new instruments for the orchestra.

SENIORS AND ANNOUNCEMENTS
The seniors received their graduation cards and announcements on April 28, 1955. The announcements are of the traditional white and blue color, and have a shield on the front. Most of the seniors enjoyed exchanging their cards with the other students. On sale with the announcements were booklets which were different from the ones for autographs, photographs, and leather goods. The booklets were under the name of "Treasure Chest of the Senior Class" and were to be kept by the seniors. The booklets were sold for 10 cents each. The proceeds from the sale of the booklets will be used for the purchase of new instruments for the orchestra.
